Evaluation Warning: The document was created with Spire.Doc for .NET.

Generic Name	FLUCONAZOLE TABLETS USP
Label Claim	Each uncoated tablet contains: Fluconazole USP 150 mg Excipients q. s. Colour: Titanium Dioxide BP
Mfg. Lic. No.	S-MNB/10/93 & S-MB/10/94
Pharmacopoeia Status	USP
Product Code	FCN/303
MFR No.	APD/MFR/GT/FCN/303
Mfg. Date	
Exp. Date	
Batch Size	
Shelf Life	36 months
Presentation	White coloured, round shaped, flat, depressed on both sides uncoated tablets.
Storage Condition	Store at controlled room temperature.
Issued By QA (Sign & Date)	
Issue Date	
Received By Prod.(Sign & Date)

1.0 GENERAL INSTRUCTIONS:

- 1.1 Good manufacturing practices shall be followed during the entire process of manufacturing including sampling and dispensing.
- 1.2 All the containers and equipments used for manufacturing shall be properly cleaned as per the relevant SOP.
- 1.3 All the equipments and containers shall have proper status label as per SOP No.: **APD/QAD/032**
- 1.4 All the equipments shall be operated as per the relevant SOP's only.
- 1.5 All the measuring equipments and containers shall be calibrated irrespective of the activity and use within the date of calibration as per the calibration schedule
- 1.6 Weights of all the materials shall be cross check by production personnel against dispensing label before taken up for manufacturing.
- 1.7 Overwriting in BMR and all other documents shall be strictly avoided, and if so, shall be as per **APD/QAD /002**.
- 1.8 All the operations shall be carried out in clean and orderly manner.
- 1.9 Any deviation in process shall be brought to knowledge of QA and prior approval of QA department shall be taken.
- 1.10 Critical parameters including temperature, humidity and pressure differences shall be checked and monitored **APD/QAD/037**.
- 1.11 In process controls shall be carried out throughout manufacturing operations as per relevant instructions defined in this BMR and relevant SOP's.
